***Message from Laura DiBerardinis (Your Race Director):** I would like to thank everyone who came out and made the 6th Annual Vincent's Run a huge success in spite of the rain!! We had 460 runners register and about 350 cross the finish line!! The results have been done to the best of our abilities. Unfortunately, due to the weather many of the pull tabs became smeared and blurry and some were just plain not readable. Thanks to Jon Valentine's photos with most of the bib numbers in plain view and my registration list I was able to piece together quite a bit of it. I apologize for any mistakes that have been made- there were more than a handful of people that I did not recognize. If by chance you saved your bib number and you see your bib number on the result sheet without your name, please email with your bib number and name and I will happily add you to the results. Again thank you so much to all who came out and supported our cause, I feel truly blessed to live in such a supportive community!!
