Greetings all:

I would just like to thank each and every person who helped in some way to make Vincent's Run such a success over the past 8 years.

The decision to make this year the final run was a difficult one. Putting on the run is very tough, emotionally and physically, but when I stand up there and look out at how many people continue to come year after year and support our cause and remember Vince, it warms my heart.

Living each day without Vincent is a challenge, one I will face for the rest of my life, but to know that others remember him, if only for that day, is an amazing feeling.

My hope is that in the near future I will come out with another way to continue to raise money for The Vincent DiBerardinis Foundation and continue to honor the memory of the little boy who brought such joy and light to my life. Again, thank you to all who participated.

With my deepest gratitude,

Laura DiBerardinis (Vincent's mom)
