

About the Foundation

The Vincent DiBerardinis Foundation, Inc. was founded in memory of my son Vincent, a 5-year-old diagnosed with Acute Myelogenous Leukemia on December 21, 2001. Vincent underwent a grueling 5 months of chemotherapy. On May 23rd, 2002, Vincent had a cord blood transplant. He responded well and was on the fast track home. Unfortunately, on June 11th Vincent took a turn for the worse and on June 14, 2002 he died. It was later determined that Vincent had a rare reaction to the cyclosporine, an immunosuppressant drug he was taking. I started the Foundation and Vincent's Run to keep Vincent's memory alive and make something good come of something horrible. The Foundation provides support to the Maryland Chapter of The Leukemia and Lymphoma Society, the John's Hopkins Pediatric Oncology Unit (where Vincent was treated) and the Johns Hopkins Hemapheresis & Transfusion Support (JHH HATS), which conducts bone marrow drives.

About the Race

We're taking strides for a better tomorrow! Come out and join us at the 7th, and final, annual Vincent's 5K Run/Walk on May 9th. The run starts and finishes behind Hillsmere Elementary School, 3052 Arundel on the Bay Road, Annapolis, MD 21403. The proceeds from the race benefit the Maryland Chapter of the Leukemia and Lymphoma Society, the John's Hopkins Pediatric Oncology Unit and the John's Hopkins HATS.

Vincent's Run has raised nearly \$120,000 since 2003. This has allowed us to donate \$21,500 to the Maryland Chapter of the Leukemia and Lymphoma Society. We have purchased TVs, VCRs, microwaves, videos, Christmas decorations and furniture for the Pediatric Oncology Unit at Johns Hopkins as well as donating \$33,500 for research and other needs on the Unit. Lastly, the Foundation has donated over \$27,000 to support local bone marrow drives. Thanks to the community for your continued support. It wouldn't be possible without you!
